A Concrete Tile Roof You Can Count On

No matter where in the United States or Canada you reside, Eagle Roofing Products has got you covered. Sustainable, durable and energy efficient, our concrete tile roofs are the ideal solution for any residential or commercial project—no matter what the architectural style. From traditional barrel to tile with clean, modern lines to products that emulate wood shake and slate, diversity in profiles as well as color ranges and blends are abundant.

Our Tile Is:

Fire Tested*

High Wind Tested

Hail/Impact Tested*

*See website for details

Freeze Thaw Protection*

*Excludes color bonded slurry tile

Set yourself apart from the rest with Eagle, America's #1 Manufacturer of Concrete Roof Tile.

THE 39TH ANNUAL AURORA AWARDS

JUDGES

Entries were reviewed by a panel of 4 building industry leaders. Judges are selected from among the most creative and successful individuals within the homebuilding industry, and represent the many disciplines contributing to building and design, as well as geographic diversity. Judges are ineligible for entry. Judges reserve the right to eliminate any category due to insufficient entries or where the quality of work does not warrant a winner. Judges also reserve the right to declare Aurora Award winners only in categories where one entry does not emerge the clear winner. All decisions of the judges are final.
